RE: Closure Plan for Surface Impoundment at Quemetco, Inc.; EPA I.D. #CAD 066 233 966
Draft Field Sampling Plan for Background Soil Investigation

Dear Sirs:

Enclosed is the above-referenced plan for your review and approval. This plan is submitted in accordance with the requirements of the Closure Plan for the Surface Impoundment.

If you have any questions, please contact either Steve Reynolds or me at (214) 631-6070.

Sincerely,

A handwritten signature in dark ink, appearing to read "Gerald A. Dumas".
